*Very truly, I tell you, unless a grain of wheat falls into the earth and dies, it remains just a single grain; but if it dies, it bears much fruit. John 12:24*

There is a saying that we hear many times this time of the year. "April showers bring May flowers." This is a promise from mother nature that tells us that winter is almost over and that Spring is just around the corner. A promise that we all look forward to after a long and cold winter.

Most everyone in this part of the country looks forward to Spring and the warmer weather it brings. We start dreaming about the end of the school year and the time we will spend with family and friends doing all those things we missed doing during winter. Baseball, softball, soccer, vacations, picnics, or just sitting around, outside without heavy winter coats, hats and gloves, enjoying the beautiful sunshine and warmth we didn't have during the winter months.

Spring brings other things too. It is the time of the year when the trees and grass and plants "come back to life", the day light is longer and we are free once again, to be outside in nature, enjoying all those things we just couldn't do for the past 5 months. So, April showers bring not just May flowers, they also bring new life.

But this year April brings another promise. It too, is a promise of new life. It is that celebration we have at the end of a long, cold, Lenten season. It is the promise of resurrection. **IT IS EASTER!!!**

It is that one day when the promise of Jesus' resurrection is made most clear and that day when we can once again shout **ALLELUIA, CHRIST IS RISEN...HE IS RISEN INDEED, ALLELUIA!!!**

In John 12, Jesus reminds us just how important his death and resurrection is, He says, "*Very truly, I tell you, unless a grain of wheat falls into the earth and dies, it remains just a single grain; but if it dies, it bears much fruit.*"

Those last few days before Jesus' crucifixion were some of the hardest days of his life because he knew what he would have to endure, much like we know what we will have to endure during the winter months before spring returns. But Jesus also knew what his suffering, death and resurrection would mean for humanity for all time, new life and the destruction of the power death had over creation.

Those three days Jesus spent in the tomb were necessary in order for us to have the promise it brings, **NEW LIFE IN CHRIST.**

As we celebrate Easter this year, we also remember all it means for us. Jesus' death and resurrection means we too are reborn children of God, and that there is nothing in all creation that can take that away from us. Jesus had to do for us the very thing we could not do for ourselves. He had to die and be raised because that was the only way we could be transformed, it is the only way death could be defeated and it is the only way that a broken and fallen creation could be restored to its creator.

This year let the joy of Easter fill you with gratitude and let the promise of new life in Christ be the thing that defines you.

When Jesus died on that cross, he had you in mind. He did what he came to do, just for you. It doesn't matter that none of us were worthy of this great promise, all that mattered was that God loves us so much that he would give his life so that ours could be saved and restored.

May you find peace and grace and forgiveness this Easter and may the sacrifice of Jesus bring new life to you as you serve him in all you do.

**ALLELUIA CHRIST HAS RISEN...HE HAS RISEN INDEED, ALLELUIA!!!**

Pastor Mark Eliason

## **Lutheran Disaster Response—Eastern Europe Crisis Response                      March 2022**

On Feb. 24, Russian forces invaded Ukraine, launching land, sea and air attacks. Civilians fleeing the violence are heading toward Ukraine’s western districts and neighboring countries. There are major humanitarian concerns for both internally displaced people and refugees. Many of these Ukrainians fleeing their homes need shelter, basic necessities and pastoral care. Lutheran Disaster Response is responding to this humanitarian crisis providing refugees with immediate support and supplies such as food, blankets, water and hygiene kits.

**Your gifts designated for “Eastern Europe Crisis Response” will be used entirely (100%) to provide support for people impacted by conflict in the region.**
